

# Homestay - House Rules and Requests

## House Inside

- **IMPORTANT:** Kindly leave the toilet door OPEN after use to indicate it's availability.
- **IMPORTANT:** Always have a full load for the washing machine. Please do not start it on your own; ask for assistance (*It has a minor start issue*). Washing powder is FREE.
- **IMPORTANT:** Do not use aerosol perfumes or burning sticks for \*MEDICAL REASONS. (\*See Bellow)
- **PLEASE:** Engage in English conversations at the dinner table and when we are together.
- **PLEASE:** Limit noise between 11 and 7am. Use headphones for electronic devices after 11pm
- **PLEASE:** Do not take food to your bedroom to prevent insect issues.
- **IMPORTANT:** Always close all outside gates after use due to strong winds in Perth. Damaged gates from wind are costly.
- **NOTICE:** "I may go out at night and return around 2 AM." Our home is secured at 11 pm. If returning after 11 pm, please arrange to return after 6:30 am. Late-night disturbances (e.g., banging on our bedroom window) are unfair to all.

## Little Things

- **SHOWERS:** Reserved for OWNERS between 6 am and 7:30 am (8:30 am on Sat/Sun).
- **PRIVACY:** We respect your privacy and will not enter your room without an invitation. Please extend the same courtesy to other guests.
- **NOTICE:** We cannot store your vehicles or belongings and will not sell them.
- **CHORES:** Your assistance with chores is essential for our LOW pricing structure.

## Chores

Chores are shared responsibilities, contributing to a clean and orderly household. If unwilling to help, please seek alternative accommodation. We cannot provide "full service" accommodation.

## Additional Notes:

- PLEASE review our profile to ensure our values align, before confirming your booking. Our transparent vegan lifestyle has been consistent for over 15 years.
- If unable or unwilling to accept our dietary choices, please let us know - we DO take non-vegans.
- These guidelines are generally unnecessary, as most individuals are kind and considerate. They help with chores, cooking, etc. This is written because a tiny minority behave differently.

## NOTES:

- **If you have a compelling reason to use the shower during "Owner Times," please discuss.**
- **\*One of us is pre-asthmatic. Aerosol perfumes, incense sticks, etc., can trigger an asthma attack.**

💖 Please consider these "requests" as our endeavour to foster harmony. 💖

💖 A VERY Grateful, Mal & Lee 💖
